

HILLS PRIDE FOOTBALL

2018

To every member of the Hills PRIDE Family,

As the beginning of the PRIDE : season is upon us, we are continuing our ZERO TOLERANCE policy within Half Hollow Hills Youth Football.

Sportsmanship is **A MUST** from **ALL** players. Any player who does not exhibit sportsmanship, at the sole and absolute discretion of the Executive Board of Half Hollow Hills Youth Football, may be suspended from practices, games, the season, and the league.

Sportsmanship is also **A MUST** for **ALL** the parents and **ALL** the coaches, as it is from us that the children learn how to act in all situations. Deviations from this will be met with quick and harsh penalties. You should not under any circumstance exhibit violence, whether physical or verbal to any referee, official, coach or player. Any parent or coach who does not exhibit sportsmanship, again, at the sole and absolute discretion of the Executive Board, may be suspended from practices, games, the season, and the league. Additionally, your child may be required to serve the suspension in conjunction with the parent.

Any family member or friend will be held to the same standards required of the PRIDE Family members. PRIDE Family members will be held accountable for the actions of their family, friends and guests at PRIDE events.

Each member of the PRIDE Family should know that we should strive to win every game, yet should we lose, we do it gracefully and try to build and learn from the loss.

We will not accept a child that feels that he is a loser or cannot do something. We will teach them to never give up and to believe that they can do anything so as long as they keep trying. That is why we are here. We will demand that the children treat each other with respect and respect the other teams and the refs!!!

Respectfully,

Andre and Frank

Half Hollow Hills Youth Football League
